# Technical Details

## 1. Hosting and Domain name services

- Domain name registration and hosting services for 1 whole year costs from 15,000 Naira and could cost up to 200,000 Naira depending on the domain name. This is renewable on a yearly basis. We use the best architecture and web technology to host all of our developed websites.
- We will register a domain name for you, setup the server needed to host your website and create the initial website specific email you wish for your company ( example: [you@yourdomain.com](mailto:you@yourdomain.com) )..
- Here's some technical details about the hosting server we use:
  - Operating System – **Linux**
  - Server Software – **Apache**
  - Database Server – **MySQL Database**
  - Server Side Scripts – **PHP, CGI, PERL**
  - Webmail Support – **YES**
  - Email Account Creation – **YES**
  - Sub Domain creation- **YES**
  - Monthly Bandwidth / Data Transfer – **100GB**
  - Server Disk Space Allocation – **10GB**
  - Website Control Panel – **YES**
  - Multimedia Support – **YES**
  - Web Statistics – **YES**

## **2 Website Design**

Web design service package includes the following technical services:

- Artistic Design and Website layout
- Creation of Web Graphics, Page Backgrounds or website skins.
- Optimization of graphics to ensure a fast loading web page.
- Edit, cropping, modification or adjustment of images needed.
- Ensure the usability and credibility of web pages.
- Creating the overall outlook of the website and application using a Javascript front end framework i.e ReactJS to ensure perfect user interaction for the website and react Native for the Mobile Application, creating a different application for both Android and IOS users making the application accessible by any and everybody
- Creating the Navigation Menu and all the initial website pages you need for your website.

## **3. Website Development**

We will develop the specific functionality and features you needed for your website.

Below are some website functionality and features that we will integrate to your website:

- Access Control Restriction
- User Role ( Admin, Member) creation
- Website Administration Area
- User Login
- Content Management ( add/edit/delete contents )
- User Management ( add/edit/delete users )
- Contact Forms
- Captcha for spam prevention
- User accounts
- User Profile
- Site Search Engine

- If there's any needed functionality you need for the website, you can inform us and we will integrate and develop it for you.

## 4. Search Engine Optimization

- Search Engine Optimization is an important factor for a successful business website, we will make your site search engine friendly too.

- Here's some detail about our SEO services included in the package:

- 3 months monitoring and Website URL submission for the 3 most popular search engine on the web ( Google, Yahoo, MSN )
- Meta tags analysis
- Keyword analysis
- Meta Description analysis
- Link Building

## 5. Technical Support

- We will provide a 2 months **FREE** technical support for you after launching your site on the web (www). We will answer your question regarding website management, technical details, content management, user management or anything about operating your own website; we can provide this through email by phone (check our phone number below).

- Note: If you're too busy and can't manage or don't have time to manage and maintain your website, we also offer a **Website Maintenance Service**, please contact us if you need this services and we will give a quotation and technical details included about this.

## 6. Payment for services

- **Payment:** At the start of the development process for your website and Mobile Application, you need to pay us 50% of the total development costs, the remaining balance of 50% will be given upon the completion of the website. We will start the development immediately upon receiving of the initial payment.

- **Mode of Payment:** Client can give us directly their payment or can most preferably use the bank information we will provide.

PS: We provide visual evidence of our progress on your application every 2 weeks.  
You will be informed beforehand if we cannot provide an update due to any difficulty encountered during the development process.

Thanks and regards,

Engr. Chukwuma, Wisdom.
